Henry Gunn  
"Treasure Island"  
By Robert Louis Stevenson

Jim was a poor boy who owned a hotel. One day a pirate named "Captain" went there. He had a treasure map and he gave it to Jim. He also had a lot of enemies.

A sailor killed him. The Doctor helped Jim with his friends to go to the island and take the treasure. The crew of their ship were all pirates and their captain was Long John. They wanted the treasure, too. There was a fight on the island but when they found the treasure box, it was empty. Ben Gunn, who lived on the island, had found it first. He gave it to them and they all returned to England.
